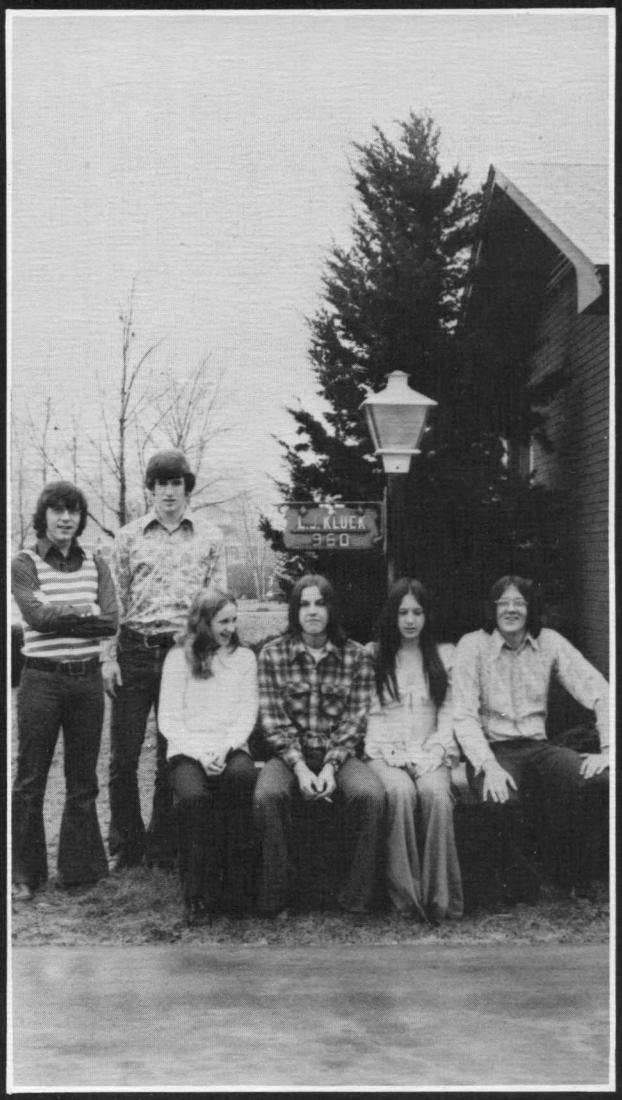
"Mr. Barczak I broke another fingernail!"

"One more time . . . "



"Hey Les we forgot our key!"

"We've Only Just Begun"

We've only just begun to live
white lace and promises a kiss
for luck and were on our way.

Before the rising sun we fly
so many roads to choose.

We start out walking and learn
to run, and yes we've just be-
gun.

Sharing horizons that are new
to us watching the signs along
the way.

Talking it over just the two of
us, working together day to day.

And when the evening comes we
smile so much of life ahead
we'll find a place where there's
room to grow and yes we've
just begun.

Minnie Burg follows in Big Burger's footsteps.

STUDENT LIFE

We've only just begun to live
White lace and promises a
Kiss of luck
And we're on our way.

Cherish

Cherish is the word I use to describe
All the feeling that I have hiding here for you
inside
You don't know how many times I've wished that I
had told you
You don't know how many times I've wished that I
could hold you
You don't know how many times I've wished that I
could mold you
Into someone who could cherish me as much as I
cherish you.

ABOVE: Seniors have the number one float this year. The class of '73 has had an excellent record of floats in their history, with two firsts and two second places.

TOP RIGHT: The court and escorts dance to the appropriate song of "Memories."

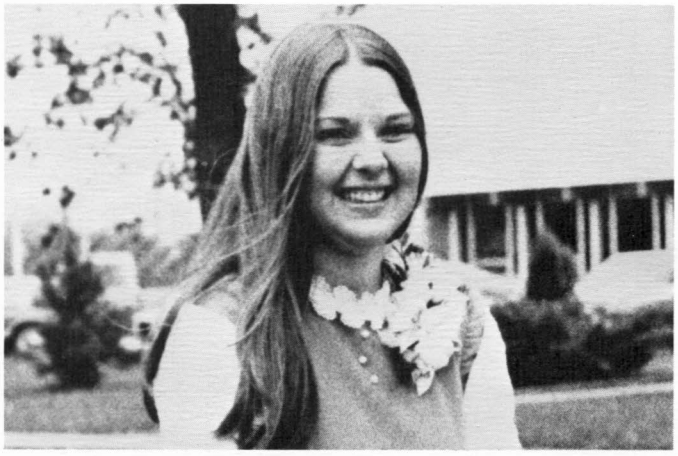
Homecoming Court 1972

QUEEN SUE SOWULEWSKI

"There is a certain magic about Homecoming that makes the colors look brighter, the smiles seem happier, the cheers sound louder, and the excitement reaches its peak. And even though it was Friday the 13th, when half-time rolled around, you could feel the magic was everywhere.

My father and I walked across the field, and as we stood waiting for the announcement, I remember seeing the pride in his smile, and the anticipation in Mitzi's eyes. Then my name was announced, and all of a sudden I realized a beautiful dream that I'd had since I was a little girl was coming true. And I knew I'd never felt so wonderfully happy in my whole life."



TINA KENNEDY

"WOW, dreams really come true!!! Just being nominated for Court was great, but to really be on it . . . Well it's the most memorable experience of CHS!!!"

DEBBIE GRUEBER

"I don't think I could ever be more proud of such a grea bunch of kids as I was of CHS on Homecoming."

CINDY ROTUNNO

"There are no words to explain the happiness I felt when I heard I was chosen to be a member of the Homecoming Court and also the exciting days that followed. I would like to thank all of those who made it possible for me."

MAUREEN DOYLE

"I could never describe how I feel about being on Court A person really has to experience it, to understand that feeling I'll never be able to thank those who made it possible for me to be on it, enough!!!"

When you said Cool it, It melted my heart.

I break my arms, rip my rented suit, and risk my life and all Borden has to say is cool it?

If there's somebody in the closet, he sure in the hell must be invisible.

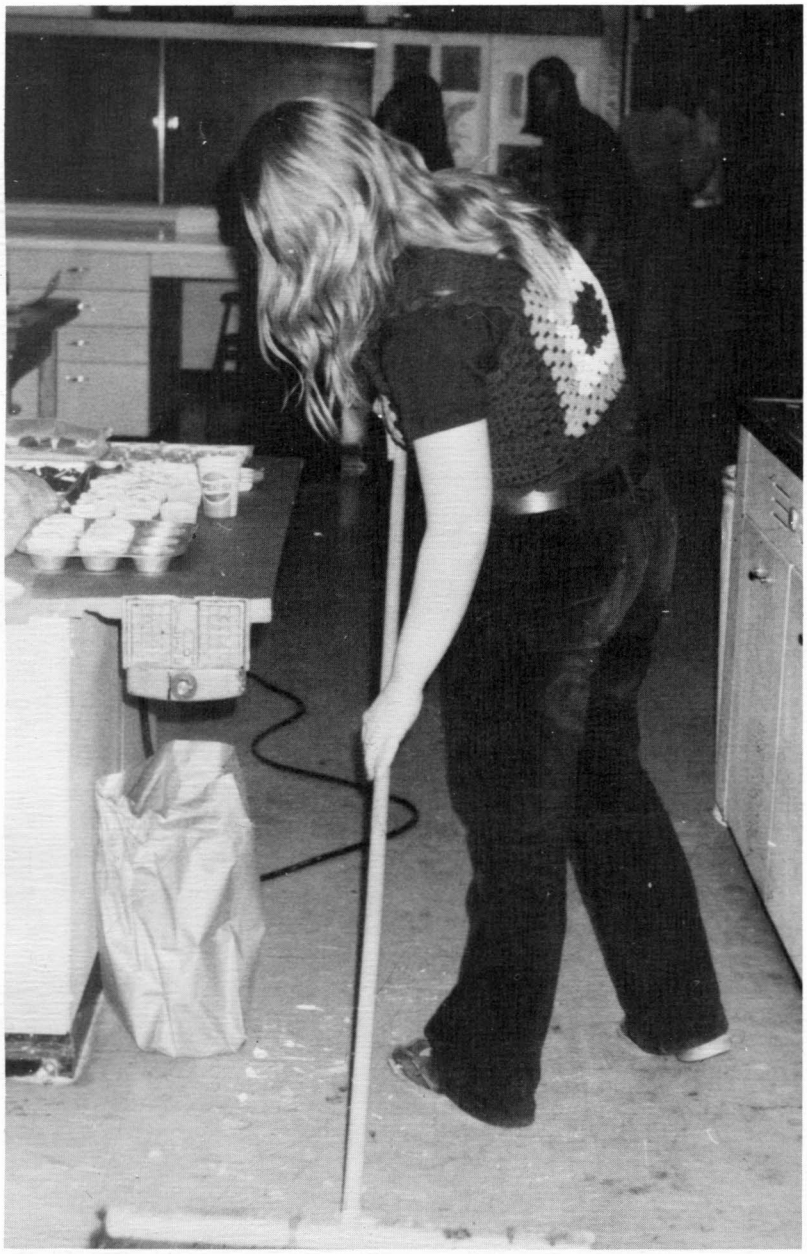
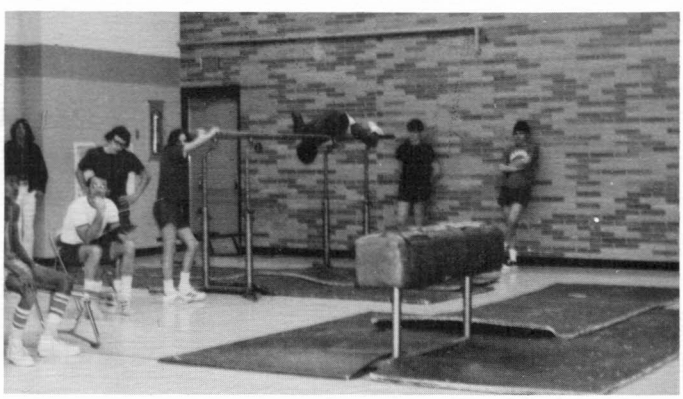
Poor kid, She's got poison ivy.

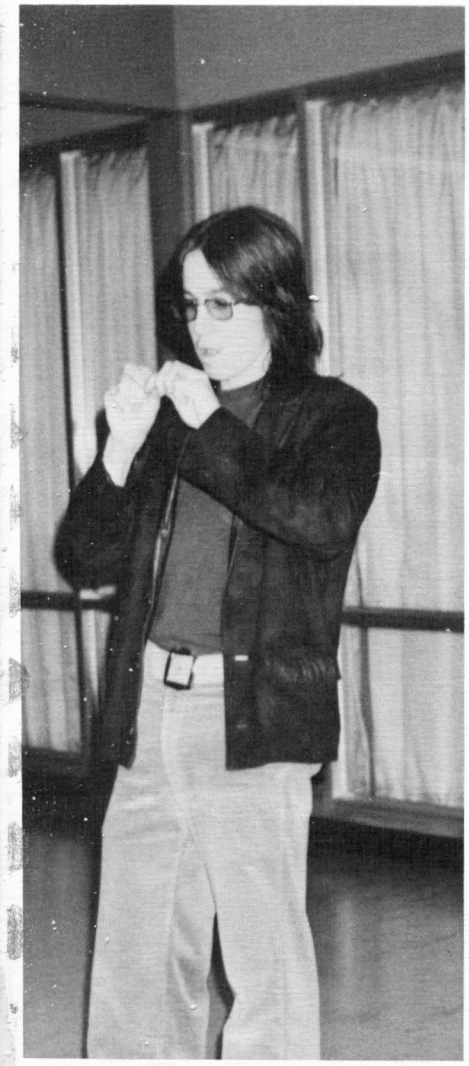


It's rough when Carrollton's janitors go on strike!

Worried Juniors take to biting nails as they match their signs against the Seniors.

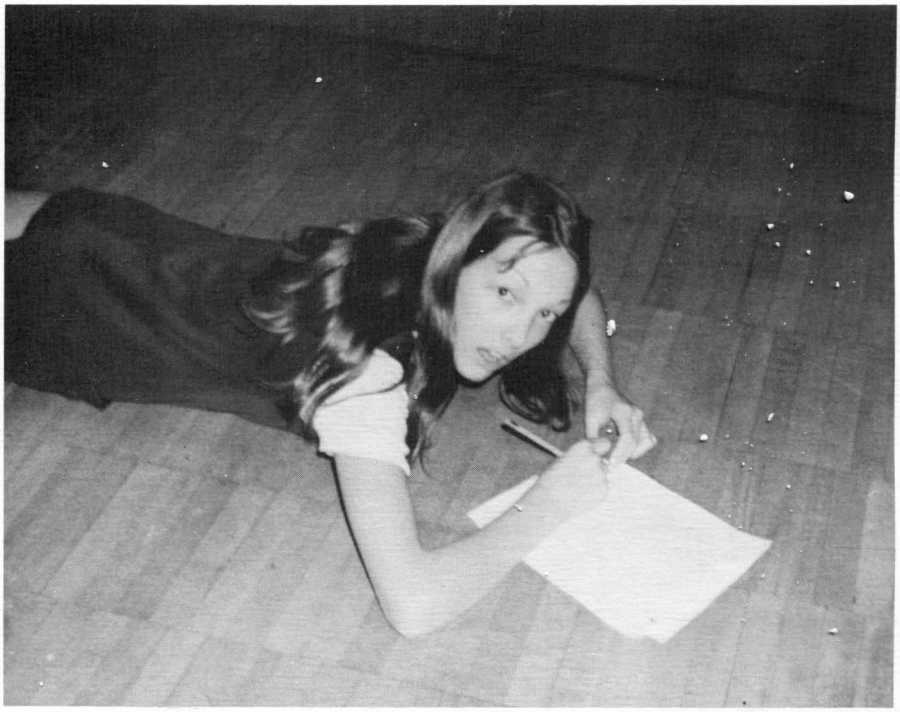


Mr. Vondette's All-Americans (Wallflowers).

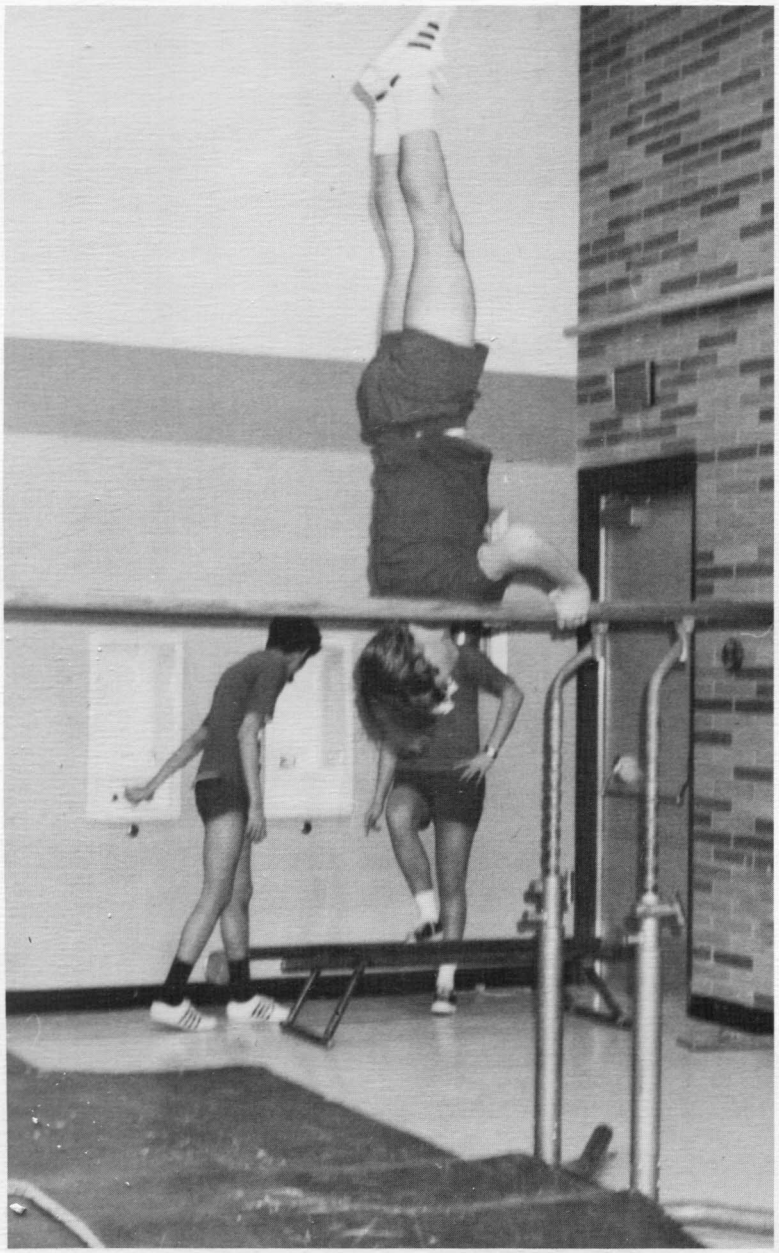


"I think this is the way you do it."

Nah! Today ain't the deadline is it?



Come on Mrs. Clayton I promise I won't say another word.



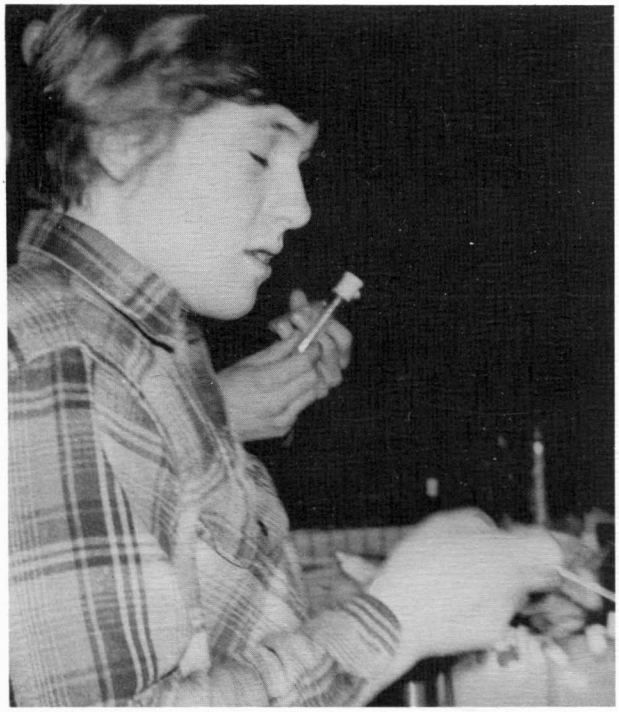
Mr. Vondette is this long enough? I've got a headache.

It's either a haircut or a hairnet!!!

1-2 cha-cha-cha

You say you need a good "SEX-retary?

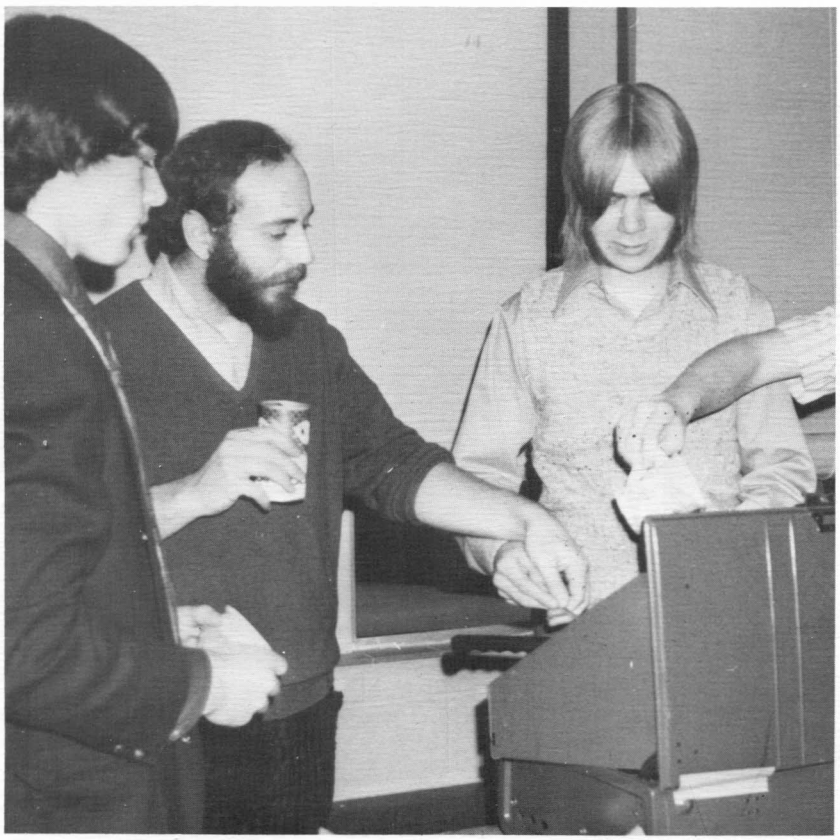
Don, these love letters must be destroyed.



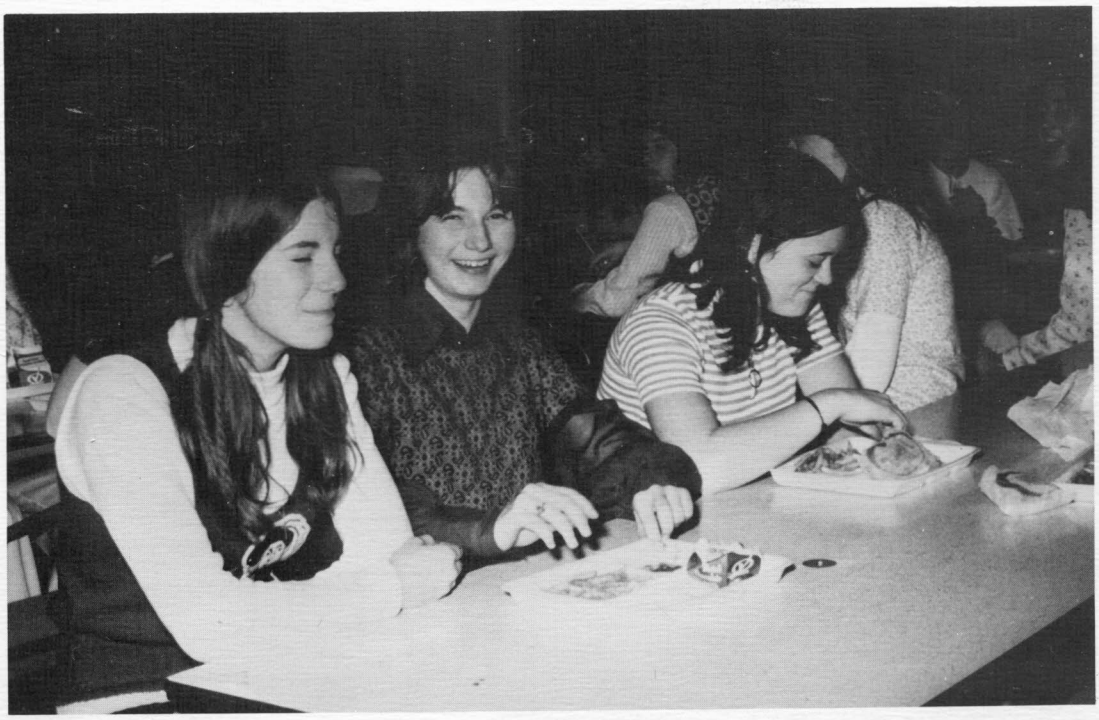
Quick, Mrs. Fitzgerald, one of these germs got on me. I thing I just ODed.

Try my Peter Pan's peanut butter, the peanut butter eater's peanut butter.

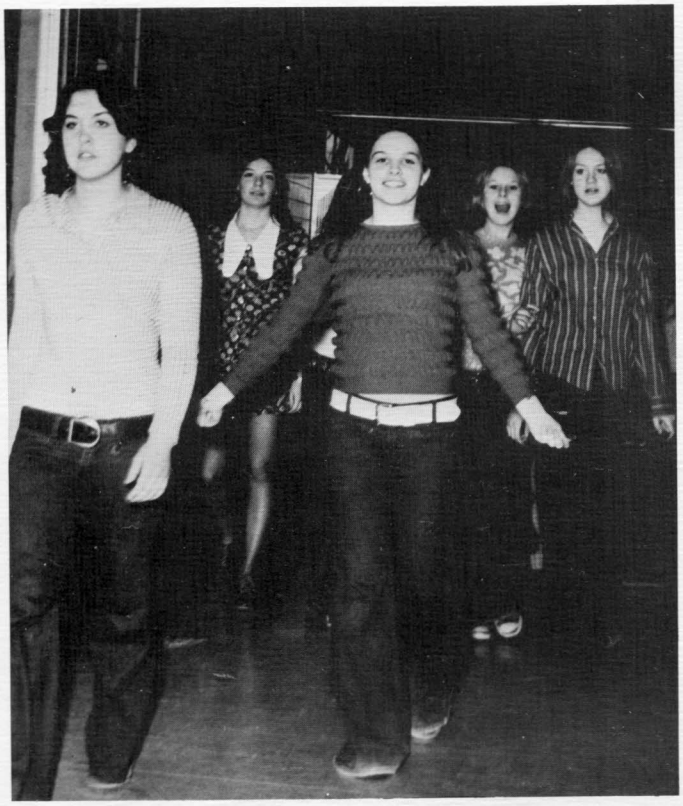
You expect me to type this?



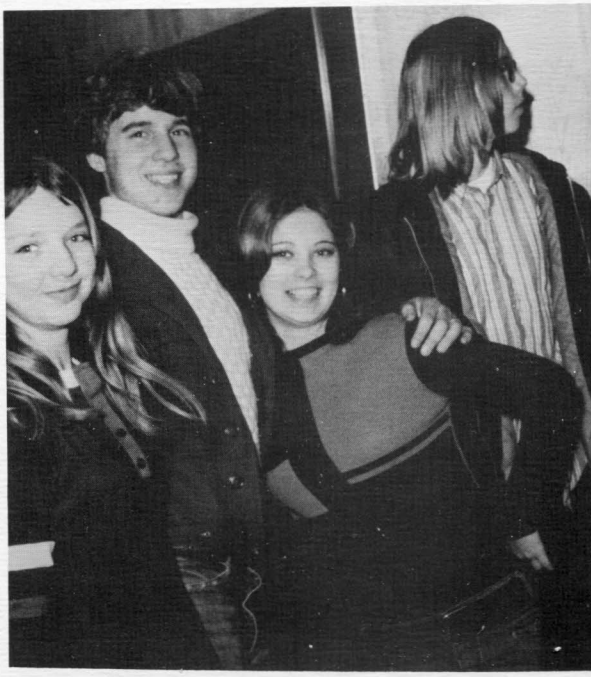
Heh Carson, is it soup yet?



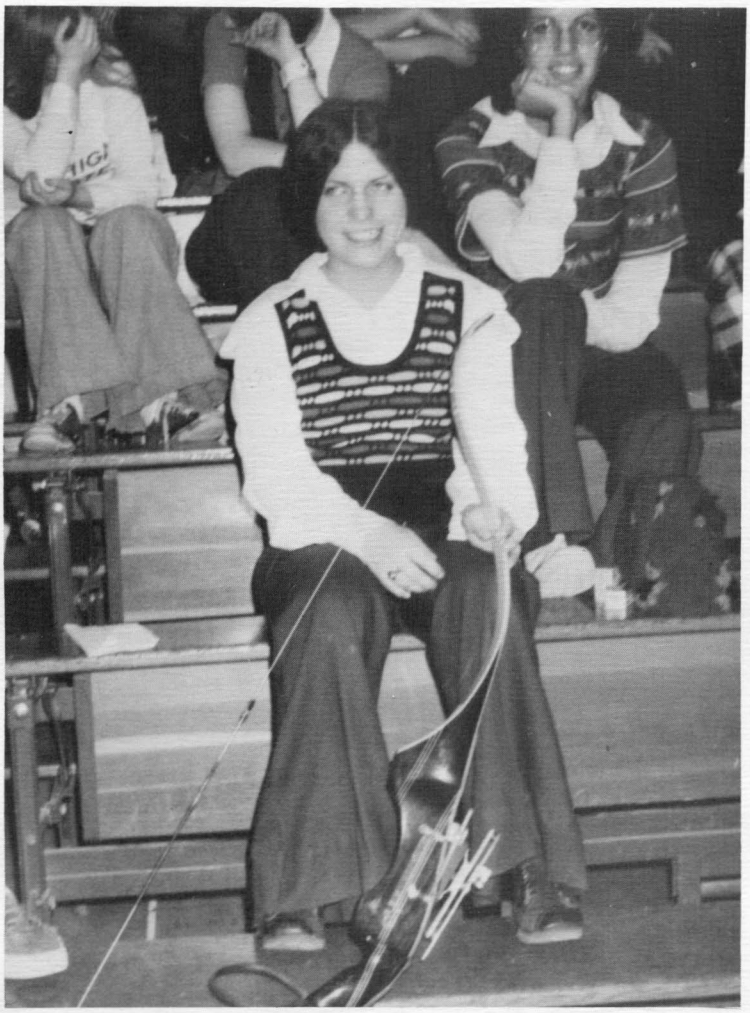
Mmm-mmm . . . Try it, you'll like it!



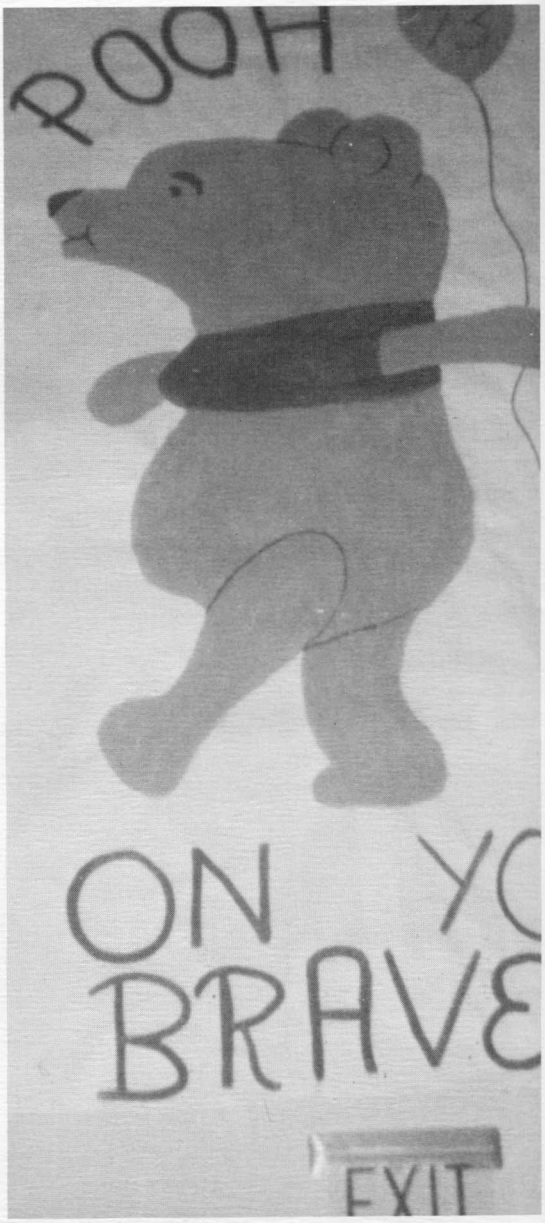
The mighty freshmen moving on out?



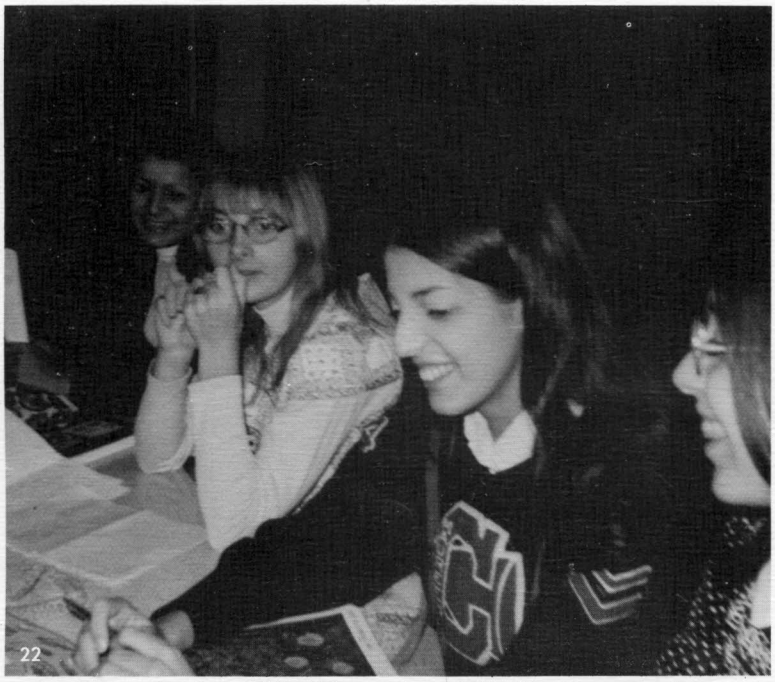
Watch out girls, Don Juan is on the prowl.



Wilma Tell (alias J. Kluck) demonstrates her talents in archery.

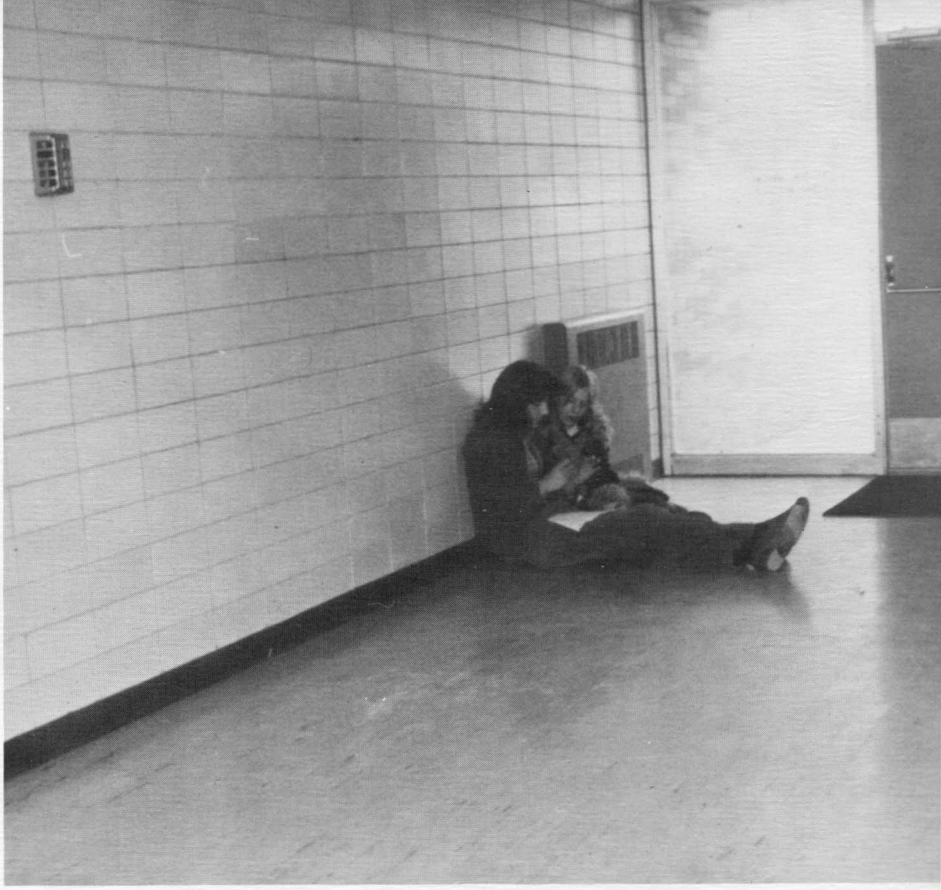


Pooh, always gives a first to the Seniors!



We know what's on M. Brissette's mind. (E. Green perhaps?)

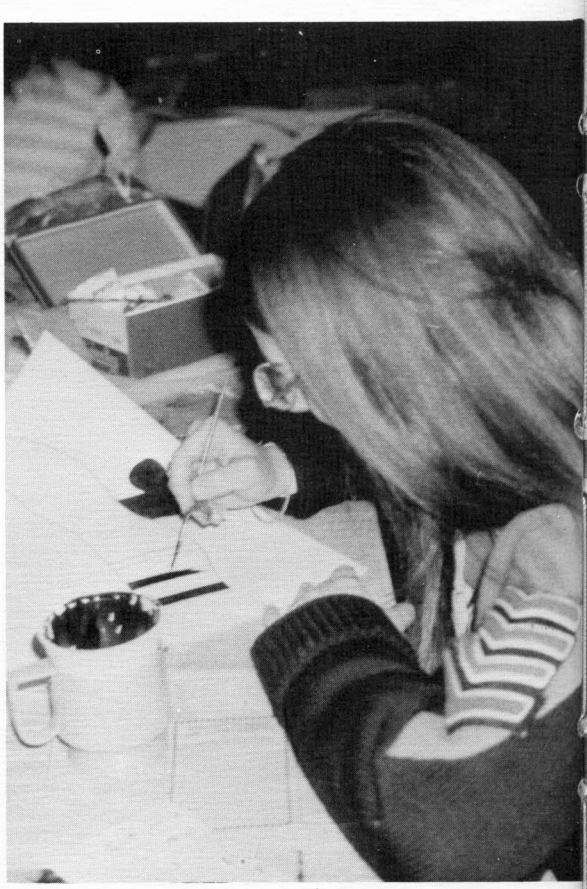
No. 1 Junior crowd attempts typewriting.



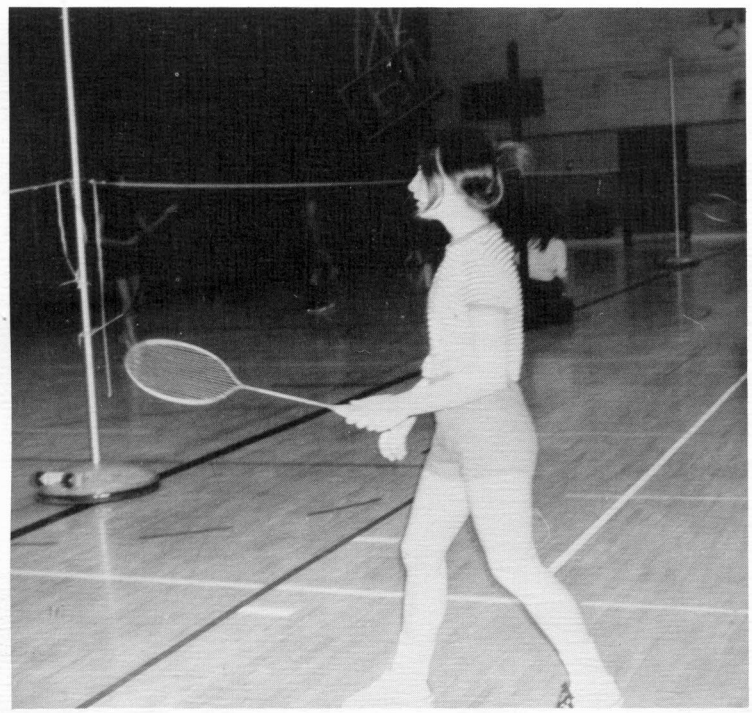
Carrollton has its quiet moments, too.

We got SOUL power!

The Junior guys enjoy their hot lunch?



See Mr. Rowe, sometimes I manage to do something worthwhile.



Heh, where's the bird?

We have a life in the past, but our journey has not ended. Ours is the beginning; just as the dawn is the beginning of each new day.

Although the Cavaliers were expected to go a little farther they did defeat a strong Buena Vista team 98-88 in the district finals and a last year's Class A school, Flint Powers, 68-63 in the Regional Finals. The Cavs finally bowed to Albion in the Quarter Finals when Albion popped in a last second shot to defeat the Cavaliers 74-72. Carrollton compiled a fine 23 and 2 record.

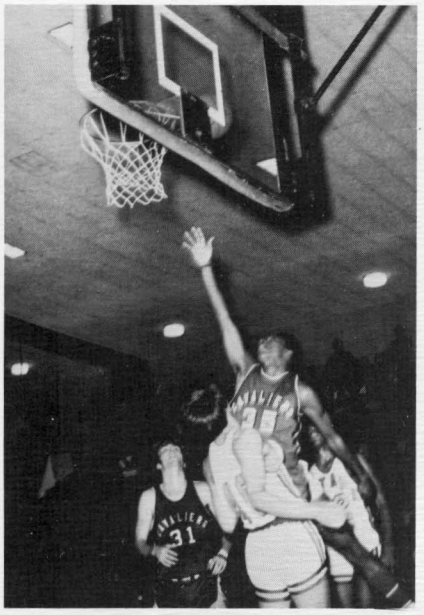
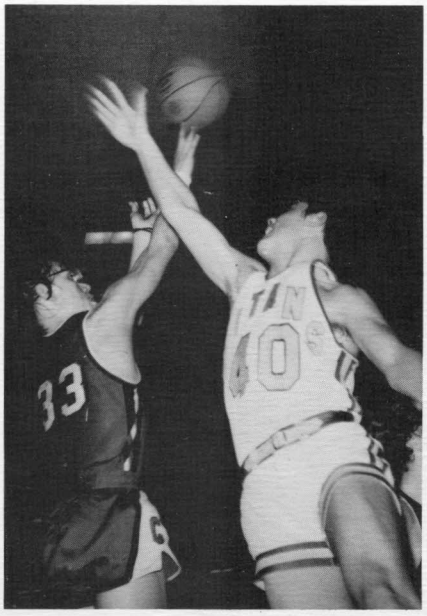
This year's team worked very hard to perform above the expectations of Mr. DeLong. This team wasn't as big as other years as far as height, but they were just as capable as past years in strength and quickness.

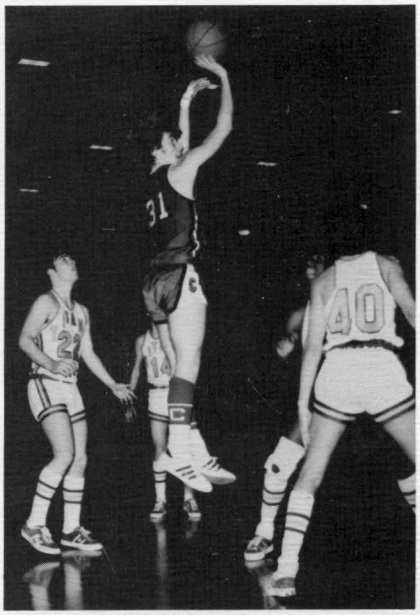
Mr. DeLong stated, "They don't have to be embarrassed or ashamed of their play or behavior, and I'm very proud to have worked with such a fine group of young men."



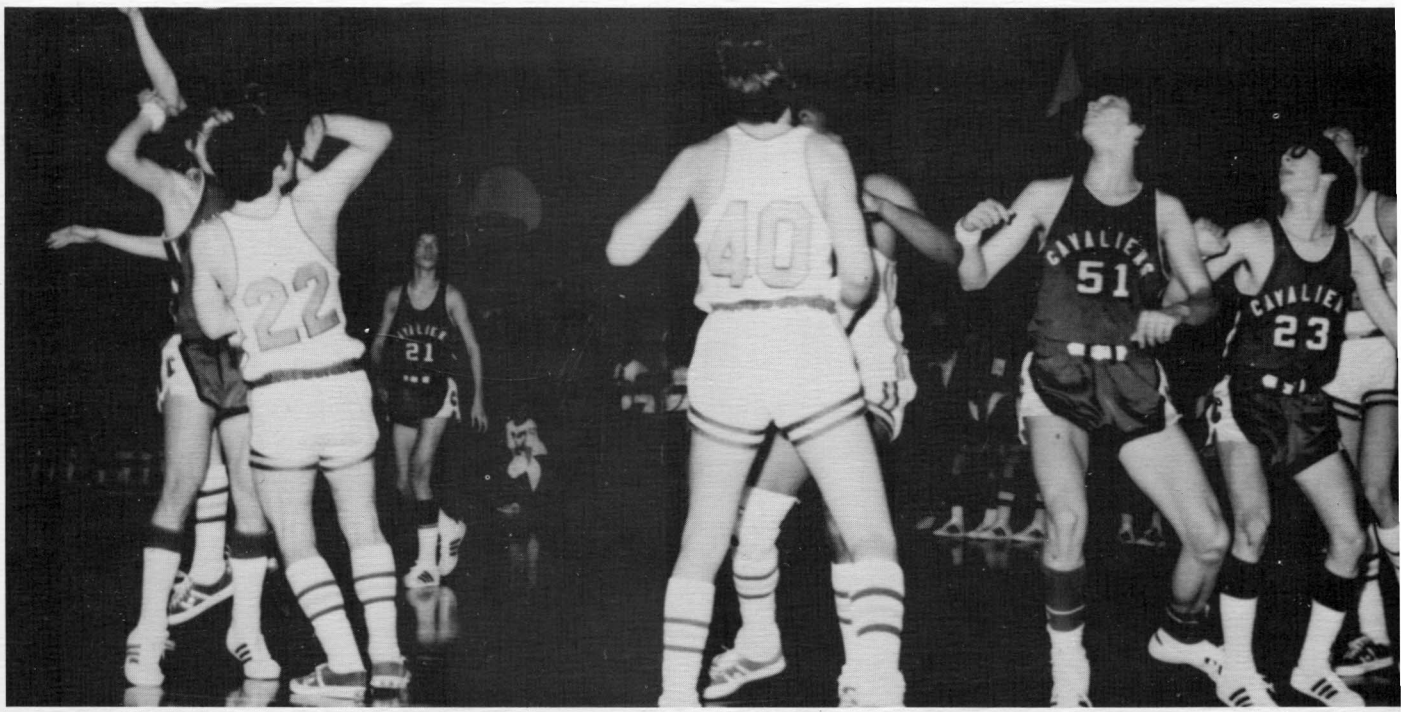
The little Titans have nothing in comparison to the rebounding abilities of Tyrone Johnson.



Marc Jaremba paces the little Cavaliers to another victory.



With Brian Smith shooting the little Titans never get off the ground.



The J.V.'s label "Teamwork" as the name of the game.
